

IMPORTANT DATES TERM 2 2016

17/6/16	Southland Cross Country
30/6/16	Board of Trustees Meeting at 5.00pm
4/7/16	Education Review Office Visit
8/7/16	Term 2 Concludes

Last Saturday two of our senior Mararoa students travelled to Wellington to attend a reception at Government House, by invitation of Their Excellencies The Governor-General Sir Gerry Mateparae and Lady Janine Mateparae, to celebrate Matariki.

Cole Hegan and Lucy Holmes-Crombie were chosen to attend the ceremony, not only for their services to science through the Kids Restore the Kepler and Enviroschools, but also for their academic and citizenship achievements. Both Lucy and Cole said they enjoyed meeting the Governor General and having the opportunity to mix with other like-minded students even though they were two of the younger students to attend. The entertainment provided by the Modern Maori Quartet proved to be another highlight.

They made sure that they made every minute count during their weekend visit to Wellington by spending all day Sunday at Te Papa, before returning to school Monday afternoon after an early morning flight home.

This year's cross-country events concluded for our students last week with five of our older students qualifying to participate at Southland. Congratulations to Sophie Willans, Georgia Lindsay, Max Kempthorne, Nicole Green and Sid Spence who all ran excellent races at Waimumu last Friday.

Assembly News
