Tennis Southland will deliver a **Hot Shots Holiday Programme** in Invercargill, Gore and Winton during the second week of the school winter holidays. It is a great opportunity for all the kids aged between 6 and 10 years old who want to have a go with tennis in a fun, exciting and safe environment! The key philosophies of the programme are:

1. Learning through play – children learn the game of tennis, rather than just the isolated skills.
2. Scaled equipment – smaller courts, racquets and low-compression balls.
3. Progressive pathway – children can move through the four stages as their tennis improves.

What to bring:

1. Children need to bring their snacks for throughout the day as well as their lunch and water.
2. If your child has her/his own racquet (this is not essential)
3. A smile and plenty of energy
