Winter Sports

Winter Sport starts later this term, 13 June, every Wednesday 1.45pm- 2.45pm.
I'll put a rugby roster together and put it in the newsletter. If you would like to help out by coaching netball please let Susan know.

Tissues

Please could you send a box of tissues to school, we really need them for the Winter Sneezes, and remind your child to bring their own hankie/tissues.

Thank You!

Christian Religious Education

If you would like your child to participate in Rock Climbers, you must return the signed form to school by Monday 7 May.

We could use some plastic supermarket bags at school if you have too many at home!

Slippers

With Winter weather on the way, your child may like to have a pair of slippers at school.

Film and Discussion

NaturePlay

Take Childhood Back

This award winning film is an inspiring educational journey to the Nordic North in a portrait of childhood, education and play.

The film viewing is followed by a PDL session facilitated by Celia from 'Little Kiwi Nature Play' and Emma from 'Woodland Escape'.

Celia & Emma will be relating the film content to a NZ perspective, challenging educational philosophies & policies and emphasising the importance of nature play on a child's holistic development.
