Term Two has begun on a busy note with the children immersed in their learning activities around ANZAC Day as we build toward the 100th Anniversary of the landing at Gallipoli on Saturday.

We welcome Mrs Tarn Willans and Ms Sue Harbutt who are teaching the Kiwi class every afternoon this term, while Mrs Ibbotson runs the Reading Recovery Programme.

As you are no doubt aware, we are still without a school cleaner and I want to extend our gratitude to a wonderful team of parents; Jan Hegan, Tracey Ruddenklau, Rachel Walker and Fiona McDonald who assisted with the school holiday clean.

This Friday the Rock Climbers programme commences. It will run for all of term 2 and 3 from 2.15-2.45pm. Our school assembly time has been moved to 1.15pm and we will return to the 2.20pm slot at the beginning of term 4.

Visit to McGregor's Military Museum

Location – bottom of this side of Gorge Hill

As part of our ANZAC studies we have arranged for the whole school to visit the McGregor's Military Museum next Wednesday 29 April. We are due at the Museum at 1.30pm so we will be leaving school at 1.15 and will return in time for the school buses at 2.45pm.

If you can help with transport please phone the school asap.

School Uniforms

Please ensure that all items are named, we are getting lots of lost property. If you have 2nd hand items please ensure you have crossed out the old name and put in your name.

Lost uniform (with no name) 1 x size 8 sweatshirt. If you are missing this item please contact the school office.

Cross Country Training

The children are training for cross country each day. Please ensure that your child/ren has suitable footwear for running in Spittle's paddock.

Missing

One size 5 polar fleece named "Ada" please check your fleeces at home, if you have Ada's fleece please return it to school asap. Thank you.

Meet the Locals' is back!

What might you find if you went exploring at night? This term, 'Meet the Locals' looks at what's out and about after dark. Every Friday we will post 'Who am I?' a riddle or poem disclosing clues for the following week's local. Check out <http://www.kidsrestorethekepler.co.nz/> to find out who the local is.

POET-SCIENTISTS WANTED!!! If you are keen on joining the 'Meet the Locals' team, Catherine Brimecombe and Alessandra Menegatti would love to hear from you. Contact kepler@fiordlandconservationtrust.org.nz

Southfuels for Schools

So far in the last 12 months we have earned \$214.69. Thank you if you have nominated our school. Once we reach \$1,000 we get a choice of picking from technology or sports equipment packages. If you order your fuel from Southfuels and would like to nominate our school please visit the following website and follow the links. www.southfuels.co.nz
