

Kids Restore the Kepler- Mararoa School Trip

Date: Friday 27 February

Time: 10am-2pm

Meeting Location- Kepler Track car park

Students will be participating in a range of interactive activities as they make their way to and from Dock Bay over the course of the day.

Students will need:

- Sunscreen
- Hat
- Appropriate clothing for all kinds of weather
- Raincoat
- Comfortable walking shoes
- Lunch and drink bottle

Buses

Buses will run at their usual times to school on Friday morning. We have organised bus travel from school to the Kepler car park, for all children. However, those who live in Te Anau and travel on the Intercity are not to come to school. Please meet us at the control gates car park at 10am. All other parents who wish to deliver their own children to the car park are welcome to do so, but let us know if this is your intention.

We have arranged for the school buses to begin their afternoon runs from the control gates car park at 2pm. So be aware that children may arrive home at a slightly different time to usual.

Parent Help

We still require a couple of parent helpers, if you are able to join us for the day please leave a message with the office.
