Northern Southland Swimming Sport

Congratulations to Lucy, Max, Oliver, Keela, Bronson, Sophie and Sid who have qualified to represent the Basin Schools this coming Wednesday at the Fiordland Pool.

Caroline Carter – Life Celebration Gathering

All children attending are requested to wear school uniform.

Those parents who have notified the school that they will be taking their children are free to collect them at the end of morning classes which conclude at 12.20pm. It is school as normal for everyone else and all buses will run at their usual times.

Life Education Van – Thursday 26 February

A charge of \$4 per child will be added to your stationery accounts to cover the cost of this programme.

Kids Restore The Kepler - Enviroday

Next Friday, the 27 February we have our first school trip of the year. The students will be involved in a series of activities on the Kepler Track. This is a normal school day and all students are expected to attend or will be marked absent. We know that many parents are involved in setting up for the Trail Ride on the Saturday and transport maybe difficult, therefore we will be running buses to school as normal.

We have arranged for a bus to take children from school to the Kepler car park and to collect them in the afternoon. We will require parent help so if you are not busy helping to get ready for the Trail Ride, and can join us on the Kepler, please give us a call at school. A notice will be issued either tomorrow or Monday with further details.
