### **Caughey Memorial Garden Competition**

Each year all the children at Mararoa School are given the opportunity to compete for the Caughey Memorial Garden Shield.

The children entering in this competition are judged on their knowledge of how plants grow and their presentation of their garden.

The children's gardens can be of any size and the judging will take place near the end of November, so the children have plenty of time to tend their gardens.

Please let Susan know by **30 October**, if your child is taking part in this competition.
